

Chalet White Pearl

Courchevel 1850, France

What we love...

We love the warm and cosy living area with a wood burning fireplace, the perfect place to relax after a long day on the slopes.

Pearls are a shimmering symbol of refined, timeless style and the same can be said of this alpine home in the chic resort of Courchevel 1850. Chalet White Pearl is a luxury duplex ski apartment with all the sophisticated touches you would expect of a five star hotel.

Chalet White Pearl is in a prime position in the genteel Jardin Alpin, a snowball's throw from the piste. Passers-by sneak covetous glances at this elegant building with its pristine white clapboard and enclosed grounds. It was conceived

with opulent living in mind, and it looks the part.

Gorgeous furnishings and objets d'art are everywhere. There are plump sofas you'll want to dive into in front of the fireplace for late night chilling. All in a cosy yet spacious, classic style.

Accommodating up to 10 guests in five bedrooms, including a master bedroom and children's bunk room, this chalet truly offers a luxury alpine experience on your ski holiday on Courchevel.

Kids

Children are welcome at Chalet White Pearl, and there are lots of entertainment features they will enjoy. From the Apple TV to the Bose speakers, they can watch their favourite movies to their hearts' content.

The location of the chalet is also a boon for little ones who find it exhausting getting to and from their ski lessons. Chalet White Pearl's position near the piste makes it easily accessible from the slopes.
