

## Garnet Apartment Courchevel 1850, France

### What we love...

We love the fact that this apartment has two living rooms – one for entertainment and one for just sitting back and enjoying the fire and the slopes view.

This luxury apartment in Courchevel 1850 offers a sophisticated and stylish bolthole – with a sprinkling of winter wonderland magic about it. Silvery trees, snowy forest scenes and reindeer motifs feature among the modern, designer furniture.

Garnet Apartment has two interlinked living areas – one a relaxing living room with a beautiful contemporary fireplace and views of the slopes, and the other a TV room, just made for lounging in front of a film in, so there's lots of space in the 160m<sup>2</sup> apartment for everyone to coexist very happily. The minimalist dining room has a long, refectory-style table where you can enjoy delicious meals cooked by your private chef.

Discreet and experienced staff are always on hand, providing a very exclusive service including access to a helicopter and limousine as well as making any ski, entertainment or travel arrangements for you. Your designated butler will ensure you never have to lift a finger.

The apartment is situated within the exclusive boutique Grandes Alpes Hotel, so as guest of the property you'll enjoy access to everything the hotel has to offer, from concierge service to use of the fabulous spa with swimming pool. But you're also very well placed within the town – the shops and bars of Courchevel are literally steps away and the chalet is primed in a brilliant ski-in/ski-out location. It's possibly the best-located private bolthole in town.
