What we love...

We love the property's ski-in/ski-out location, right by the legendary Bellecôte piste.

A chic mountain hideaway enjoying the amenities of a five star luxury hotel, L'Appartement Les Neiges penthouse in Courchevel 1850 is arranged over two floors at the top of the Hôtel Barrière Les Neiges which was opened in 2016. With views of Mont Blanc and exclusive Courchevel 1850, you're at the heart of the action at this luxury ski hotel, which benefits from an enviable ski-in/ski-out position on the Bellecote piste, a short distance from the main ski lift station serving the Three Valleys area.

Framed in warm timber, with luxe fabrics and framed vintage Hollywood prints, you'll feel instantly at home at L'Appartement Les Neiges. Your personal butler will see to your every request. Glide straight in from the slopes and kick off your skis in the hotel's boot room before heading up to your own luxury ski apartment. Recline on sumptuous fireside sofas in the open plan double living area. Let your butler bring you a glass of bubbly or a gin and tonic and steal away to the private balcony, with piste views.

If pampering is high on the agenda on your luxury ski holiday, pad down to the hotel's Diane Barrière
