

## Les Airelles Private Apartment Courchevel 1850, France

### What we love...

We love the spacious terrace with outdoor hot tub, dining areas and fabulous views.

Set in a magical building that could easily be mistaken for Sleeping Beauty's Palace, the private apartment at Les Airelles is a luxury ski chalet in Courchevel 1850 that makes an unforgettable backdrop to your holiday.

Step inside the fairytale building and up on the top floors, you'll find the apartment is as enchanting inside as it is out. Four beautifully decorated bedrooms, with carved wood, painted furniture and colourful fixtures and fittings create a relaxing haven for you to retreat to each evening, with en-suite bathrooms with steam showers and luxury tubs enhancing the effect.

The spacious communal areas give you plenty of room to relax with friends and family. Whether that's in the oversized armchairs, around the

long dining table over breakfast, or perhaps out on the terrace soaking in the hot tub or reclining at the outdoor seating areas with a drink in hand, taking in the slopes views.

For those who would like a little pampering as part of their break, there is both a private spa with a Jacuzzi and sauna as well as an exclusive spa in the hotel with an indoor swimming pool and even a snow cave and water jets!

The hotel in which this apartment is situated is among the best in the Alps, with a well-earned reputation for its fabulous restaurants and high levels of service. You'll not have to lift a finger here and will leave feeling relaxed, refreshed and like the proverbial Princess, or Prince Charming.
