

Marbella Club - 2 bedroom villa Marbella, Spain

What we love...

We love having the best of both worlds – private pool and luxury spa just moments away at the exclusive club.

Hotel luxe meets relaxed Mediterranean style. Beautifully designed interiors, whitewashed walls and splashes of terracotta and cobalt blue give this luxury villa in Marbella rustic warmth and a welcoming atmosphere.

The two-bedroom villa is ideal for a family or two couples to share, with its cosy living space, outdoor lounging and dining areas and your own private heated pool. Two pretty

bedrooms, decked out in Ikat style prints and with luxury bathrooms, both with tub and shower, give you all a peaceful place to retreat to for an afternoon siesta too.

And when you've hit peak relaxation, the Marbella Club's wonderful facilities are all just steps away, from the pampering spa and 18-hole golf course to a plethora of lovely restaurants bars and beach clubs. Truly the best of both worlds.

Eating

Enjoy a champagne breakfast at the hotel restaurant each morning of your stay at this luxury villa. Kids

Children are made very welcome here and there's plenty for them to do. Kids of all ages will enjoy the luxury villa with private swimming pool and garden. The pool is just steps from the house, making it easy to supervise them when playing in the pool.

The Marbella Club Hotel also has its own kids' club, a fully staffed 'mini village' where children are cared for attentively and can join in with workshops, from perfumery to gardening to cookery and come home tired and happy, full of how they made their very own perfume or learned to throw together an excellent gazpacho.

Children are welcome in all the resort's restaurants but babysitters can be booked on request so that you can enjoy a grown-up evening out if you wish.

The villa is located on Marbella's Golden Mile, within the exclusive Marbella Club resort. The nearest airport is Malaga, around a 30 - 40m drive away and Marbella town centre is just a 15 minute walk away.
