

Marbella Club - 4 bedroom villa Marbella, Spain

What we love...

We love taking a dip in the villa's private heated outdoor pool, following a morning on the golf course.

This beautifully conceived and designed luxury villa in Marbella is a wonderful retreat on one of the most stunning stretches of coastline in the world.

Hidden within the grounds of the exclusive Marbella Club hotel and only a short walk from the beach, the villa with swimming pool and garden gives you all the privacy you require, but with first-class facilities and service always within easy reach.

The property itself, decorated in muted neutrals, has a relaxing and sophisticated feel. The stylish sitting room is a cool and airy place to retreat to on a warm afternoon for

a quiet siesta or simply to sit with a cool drink and enjoy the view out of the open doors to the lush gardens beyond. The four bedrooms are all supplied with luxury bed linens and designed to feel simple, fresh and sophisticated.

Should you choose to venture away from the private pool and seclusion of your villa, the hotel that plays host to you has lots to entertain, from stunning botanical gardens to wander through, to its own spa and golf course, as well as several excellent restaurants and bars. Truly, the best of both worlds.
