

No. 5 Penthouse Verbier, Switzerland

What we love...

We love the fabulous private terrace with seating area and outdoor hot tub.

Perched high above the town in the top floor of a beautiful building, No. 5 Penthouse is a luxury self-catered ski chalet whose position makes it a real experience.

The views out over Verbier and the mountains are best enjoyed from the private hot tub on the terrace, but almost every window you pass seems to have a fantastic outlook here. Despite the big views, which make you feel as though you're in the middle of nowhere, you're perfectly placed for the town, too. The bottom of the building is planted right in the middle of Verbier, just a couple of minutes' walk from both the Median lift station and the shops, bars and restaurants.

In fact, everything you need is right on site. Guests of No. 5 Penthouse are able to take advantage of the shared spa facilities on the lower ground floor of the building with sauna, hammam and gym. If you want to pamper yourself a little more privately, you can always

retreat to the chalet, with its own outdoor hot tub.

The living spaces are designed to be sociable and relaxing. Weathered leather armchairs and a comfy sofa are gathered around the woodburning fire in the living area. High ceilings and floor-to-ceiling windows allow light to flood through the space to the breakfast bar and kitchen and dining room beyond. In a cosy corner of the open-plan space and next to the windows that lead out to the lovely terrace, it's a fabulous spot for enjoying long and leisurely meals.

Super-comfy bedrooms ensure everyone has somewhere special to retreat to at the end of the evening. Thoughtful extras, such as the mezzanine play space in the children's bunk room and the rolltop bath and fire in the master bedroom are the icing on the cake. Sit back, relax and enjoy this 'as-special-on-the-outside-as-it-is-on-the-inside' chalet on your luxury ski holiday.
