

Onyx Apartment Courchevel 1850, France

What we love...

We love the brilliant level of service here – your own butler and even a limo and helicopter can be arranged should you need it.

Situated in a ski-in/ski-out position just steps from the lifts and town centre, this luxury ski apartment in Courchevel 1850 is as well-appointed as it is well-located. Onyx is a 164m² apartment within the Grandes Alpes Hotel, which means you'll have access to all that this wonderfully luxe boutique hotel has to offer, from fabulous spa to your own butler.

The communal living spaces are stylish and contemporary, designed to make a focal point of the stunning views the apartment enjoys. A roaring fire and stacks of cushions and throws on the sofa makes the living room a real cocoon, while in the dining room, the large, round table is flooded with light from the floor-to-ceiling windows.

Each en-suite bedroom has been thoughtfully put together to be a

real retreat from the world with spa-style fixtures and fittings in the bathrooms and cosy throws and blankets on uber-comfy beds.

What really makes the experience here though, is the very high level of service. Nothing is too much trouble for the staff, who provide an exclusive service including access to a helicopter and limousine as well as making any ski, entertainment or travel arrangements for you. You even have a designated butler to ensure you never have to lift a finger.

If the strain of deciding what you want to drink next or where you might ski to tomorrow gets too much and you feel in need of some attentive pampering, the wonderful hotel spa is just steps away, including an indoor swimming pool, Hammam and sauna.
