

## Ruby Apartment Courchevel 1850, France

### What we love...

We love the beautiful living room with its view over the valley.

The height of chic sophistication, the Ruby Apartment is a beautiful bolthole to escape to. As luxury ski chalets in Courchevel go, it competes with the best: a fabulous ski-in/ski-out location, within the exclusive boutique Grandes Alpes Hotel, which is right behind the lifts and the centre of the village, as well as a lovely 210m<sup>2</sup> duplex interior that will impress style fans.

The glamorous sitting room, with its double-height ceiling, stunning fireplace and large TV is great for lounging alone or socialising as a group. Next door, the dining table is overlooked by a huge carved, wooden horse (fortunately he doesn't eat much!) and all over the apartment there are quirky pieces of artwork that give it a really unique feel. For those who like to indulge

occasionally, there's even a cigar lounge – ideal for an after-dinner whisky or two.

The apartment has its own steam room within the master en-suite where you can soothe aching limbs after a morning on the slopes. Guests of Ruby Apartment also have access to Grandes Alpes' exclusive spa with an indoor swimming pool, which is really something to behold.

And all this comes with a level of service that is second to none. Your dedicated butler will be on hand to see your every need is catered for. The hotel prides itself on its 24/7 service, which includes access to helicopter, luxury limousine, ski and travel services. You couldn't be in better hands.
