

SHL Lodge Meribel, France

What we love...

The home cinema room is a real bonus – perfect for a quiet afternoon spent alone or to keep the children entertained while the adults enjoy a wonderful meal together.

Step into your comfort zone. At SHL Lodge, rustic has never looked more upmarket.

Natural rustic style meets gentleman's club chic here. This beautiful property is furnished with chunky woods, natural accessories and an industrial-chic twist. Hammered metal light fittings complement perfectly the chandeliers woven from smooth antlers and driftwood-look woods, while woollen and tweed soft furnishings and leather wingback armchairs make this a retreat that really is a shrine to all things warm and cosy. And there's room for everyone to lounge together on the three-metre-long sofa in the amazingly spacious living area.

After a day out in the fresh air and snow, there's no better way to warm up. But before you hunker down, why not visit the relaxation rooms with counter-current swimming pool, steamy Hammam and peaceful relaxation area?

Once you've enjoyed a fabulous meal in the evening, you might like to retreat to the separate TV room and curl up in front of a film, or simply enjoy the unobstructed once-in-a-lifetime view from the south-facing terrace and balconies.

Rest your body, re-awaken your mind and revive your senses – a luxury ski chalet holiday at SHL Lodge is a true tonic. Speaking of tonics, where's that fabulous wine list that's on offer?

Eating

At Chalet SHL, food and wine are as important a part of your holiday as the mountains. Your hosts believe in making a stylish start so a glass of vintage wine is served on your arrival.

Each morning a hearty breakfast is on offer to fuel your day's skiing. As for the rest of your meals, your wish is your private chef's command. Whether you fancy comfort food in front of a film or a gastronomic five-course feast to impress your guests, anything is possible and the ingredients, skill and service are second to none.

SHL Lodge boasts a private underground cellar, where you can discover the wonders of rare wines: from Pétrus to Château Margaux, Château Yquem and Château Smith Haut Lafitte.

Please note that cost of food and drinks will be charged separately, so menus can be tailored exactly to your party's preferences.

Kids

Children will love the space available at SHL Lodge. Once they've exhausted themselves splashing in the swimming pool, they can sneak up to the top floor and spend a quiet hour or two in the separate TV room.

There shouldn't be any arguments about going to bed either. The brilliant bunk beds in the two children's rooms will have them fighting to be first under the duvets. The bunk rooms are perfect for sharing with cousins or family friends, with spacious beds and plenty of shared space.

Nannies and babysitters can be arranged on request.

You're right in the heart of Meribel here, approximately 50 metres from the slopes and steps away from the town centre.
