

Sayeu 116

Verbier, Switzerland

What we love...

The view of snowy peaks from the outdoor hot tub is our highlight.

Sayeu 116 is stunning luxury apartment, with generous open-plan living space and four beautiful bedrooms, sleeping nine in total, all set out over one floor.

Step out of your private lift into the warm and welcoming modern-rustic interior. An enormous stone fireplace, rough-hewn wood furniture and huge sofas, piled high with cushions bring a stylish yet home-from-home atmosphere, where you can truly relax after a day on the slopes.

The bedrooms, decked out in contemporary neutrals with hints of red and Scandi design details give a 'Christmas-every-day'.

Wood and slate fixtures and luxury beauty products in the bathrooms make your morning routine feel like a trip to a spa.

Sayeu 116 is in the Brunet area of Verbier, close to both the slopes and the village and you can ski to within a short distance of the property, down the Le Rouge piste, famous locally for the wonderful après ski at the Le Rouge bar and restaurant. But we'll be surprised if you can drag yourself away from your apartment. There's no better way to spend an evening here than relaxing with a glass of local wine in the outdoor hot tub, looking out over the mountains.

Kids

As Sayeu 116 is set out over just one floor, this is an ideal property for those visiting with young children as there are no stairs to worry about. Bedroom four offers an additional single bunk, perfect for an older child. Bedrooms three and four share a bathroom accessed from both rooms so would also be ideal for a family with older children.

Although there are steps to the entrance there is also a private lift so getting to the property with children is easy.

Cots and highchairs are available and nannies and babysitters can be arranged on request.

Location

Sayeu 116 is close to the Brunet bus-stop which gives excellent access to all the Verbier lifts. Brunet is near to both the ski area and the village and lift of Medran (seven minutes' walk).
