

Serpentine Apartment Courchevel 1850, France

What we love...

We love having a dip in the swimming pool in the hotel's wonderful spa after a morning on the snow.

This luxury ski apartment in Courchevel 1850 offers a hotel-style service within the privacy of your own apartment. Located in a ski-in/ski-out position within the exclusive boutique Grandes Alpes Hotel, close to the lifts and the village centre, Serpentine Apartment is a beautiful base for your luxury ski holiday.

The 175m² property includes two separate seating areas, which makes socialising in a large group much easier, as there's always a quiet corner to escape to for a chat. Mountain views and a roaring fire add cosy atmosphere. In the sophisticated dining room, sit around the large table and enjoy a few board games and drinks while your private chef prepares your evening meal.

All the bedrooms have been carefully designed to be really welcoming and ultra-comfy. Quiet and relaxing, we always sleep very well indeed here. Maybe it's the relief of being able to switch off so completely from work and responsibilities...

The Grandes Alpes Hotel boasts a level of service that is second to none. Your dedicated butler will be on hand to see your every need is catered for. Guests of the apartment benefit from access to all the hotel has to offer, including a fabulous spa with an extensive treatments menu and a stunning swimming pool.

Snuggle up in front of the fire with a glass of fine wine, or disappear to the luxury spa for a few hours – you've nothing to do here but take care of number one.
