

Tivoli Lodge Davos, Switzerland

What we love...

We love the exceptional level of personal service at Tivoli Lodge and the incredible attention to detail to make guests' stays perfect.

Tivoli Lodge in Davos sets the standard in Alpine luxury. One of the most desirable mountain retreats anywhere, this fabulous design-led chalet features a chic and contemporary interior of more than 700sq metres. Guests are treated to sensational views from the south-facing windows towards the highest peaks of the Engadine.

Superbly located on the piste, Tivoli Lodge offers ski-in/ski-out convenience and yet is just a few minutes chauffeured drive into town.

Tivoli Lodge is beautifully and elegantly furnished to the highest standards and is equipped with every luxury. There's state-of-the-art technology throughout and a delightful indoor jet stream swimming pool with massage jets.

But it's the exceptional service from the team of professional staff that will really bowl you over. The chalet manager will be your personal concierge to give you help and advice and to organise just about anything you can think of, from a heli-ski adventure or a themed dinner party to building a personal ice bar on the mountainside.

The in-resort driver service is on hand to shuttle you to and from the slopes or to whisk you into town for an impromptu shopping trip. Just say the word. If you want the children and nanny to meet you by the slopes for lunch, they'll be there. Whether you want to catch the first lift of the day or picking up as the mountain restaurants close, they will be ready and waiting.

Eating

Good foods and fine wines are a key part of your stay here, and it all begins with a welcome Champagne and canapés reception.

Each morning, hearty breakfast is served to ready you for a day out on the piste; lighter options are also available. When you return to your chalet, an afternoon tea with savoury and/or sweet treats is laid out waiting.

On six nights of your stay, your chef will cook up a storm for you using local and seasonal ingredients. Your chef will be happy to consult with you beforehand about menus to ensure every meal will please everyone in your group.

Dinner is always served with carefully selected house wines, but an a la carte wine list is also available at additional cost if you're looking for something a bit special. With access to house Champagne, beers, spirits and soft drinks, you'll be well looked after at this luxury ski chalet.

You'll have one evening to sample the local restaurants and your chalet host will be more than happy to make recommendations and bookings.
