

Villa 10, La Reserve St. Tropez, France

What we love...

We love the gorgeous outdoor pool terrace that looks out to sea.

Privacy, quiet and high levels of service, Villa 10 at La Reserve Ramatuelle represents the best of both worlds – like having a luxe hotel all to yourselves.

Perched on a gentle slope that meanders down to the sea through pine forests, this luxury villa in St. Tropez has a peaceful and beautiful location, but guests of the villa benefit from all the facilities the La Reserve complex has to offer, so you can wander over for spa treatments and wonderful Michelin-starred restaurant meals, and while you are out each day, your private villa gets the full hotel housekeeping service, so you won't have to lift a finger all holiday.

Generous living spaces, ideal for sharing with friends and family, and

a private landscaped garden give everyone plenty of space to relax alone or enjoy sharing, whether over a fabulous meal cooked by your chef, a laid-back barbecue or just a few drinks as the sun goes down.

The lovely outdoor pool is at the heart of the property. Al fresco relaxation areas surrounding it allow you to spend all day outdoors in total comfort if you like.

In the evenings, if you should happen to tire of enjoying drinks and dinner out on the sea-view terrace (and we can't think why you would!) glamorous St. Tropez with all its glitzy bars and restaurants is just moments away by car.

Eating

Each morning you will be served a delicious American breakfast, perfect to set you up for the day and in the afternoon freshly made pastries await.

Choice features high on the menu here. If you and your party wish to eat in your villa a private chef can be arranged for you, who will happily cater to the needs of everyone in your party. There's also an excellent in-villa catering service available, which includes tapas, drinks and barbecue food, or you might like room service from the five star hotel's Michelin star restaurant 'La Voile'. It serves a fabulous Mediterranean menu sourcing its ingredients locally wherever possible, often from the hotel's own kitchen garden. If you'd prefer to dine out here, it offers a stunning location under 'sail' style canopies looking out to sea.

If you want to escape further afield let your housekeeper know and reservations can be made for you at any of the wonderful local restaurants.
