Villa 9, La Reserve Ramatuelle
St. Tropez, France

This luxury villa near St. Tropez is to relaxation what Paris is to romance. Enviably located on the edge of the sea, with breathtaking views, Villa 9 is a study in peace.

The interiors were put together by top designers and have an airy, calm atmosphere of warm minimalism. Bedrooms and ensuites are all tastefully designed to be as restful as they are stylish, and the main living areas are well set up to make for sociable dining and relaxing.

Inside and out have been merged beautifully so that your eye is always drawn to the doors, windows and the sea beyond, and the outdoor areas are equally as welcoming as the interiors. The gardens, terrace and heated pool, which overlook the coastline, provide plenty of room for all guests to relax alone or spend time together and the property has a real feeling of seclusion, too. When taking a dip in the pool alone you can usually hear nothing but the gentle singing of cicadas.

Just a short distance away from the villa is the La Reserve hotel, which owns the entire estate and guests of Villa 9 are welcome to take advantage of all the hotel has to offer, from the wonderful spa to the Michelin-starred restaurant, and if you want to enjoy it all in privacy you have only to ask your concierge to send over a facialist, masseur or your dinner to be enjoyed within your own four walls. Heavenly!

Ingredients are locally sourced wherever possible, often from the hotel's own kitchen garden.

If, however, you prefer to dine in the privacy of your own villa, a private chef is available too, or your housekeeper can arrange anything from lunch out to breakfast in bed for you.
