

Villa Amelie St. Tropez, France

What we love...

We love the outdoor swimming pool with an attractive relaxation area.

Perched on a hill, with views out over the Mediterranean sea, this luxury villa in St. Tropez is the ultimate relaxing retreat. Villa Amelie is decorated in calming neutral shades – the vaulted living room in tones of off-white and with comfy sofas gathered around a beautiful fireplace, makes for an ideal spot for you to relax with other members of your party and cool down from the heat of the day. Outside on the terrace is a further seating area where you can sit and enjoy the cool breeze and hear the rustle of the trees all around you.

The terrace looks down past imposing cypress trees to the manicured lawn surrounding the swimming pool with wooden terraced area and rattan sun loungers. This is a fabulous spot to take an afternoon dip, or just to relax in with a glass of wine or two as the sun goes down over St. Tropez.

Upstairs, light and airy bedrooms and spa-style bathrooms provide a welcome retreat at the end of the day. You'll sleep well in the fabulously comfy beds with the distant sound of the sea lulling you to sleep.
