

## Villa Aniya Sardinia, Italy

### What we love...

We love the fabulous views from this beautiful villa, particularly from the panoramic swimming pool.

Perched up on a hill with wonderful views out to sea, Villa Aniya is the perfect island hideaway. This luxury villa in Sardinia is surrounded by lush gardens, which give a sense of privacy and peace. Whether floating in the swimming pool, wandering among the typically Mediterranean gardens or sitting on the terraces, soaking up the sun, that spectacular azure backdrop is ever present, almost too blue to be true.

The villa is architect-designed by Savins Couelle and the interiors have a minimalist look, both of which contrast coolly and perfectly with the rustic feel of the exterior. Designer furniture sits alongside

accessories and art pieces with a weathered, coastal style, for a characterful overall look, that makes it really easy to unwind here. Add in top-of-the-range entertainment gadgets and kitchen equipment and you have all the makings of a very relaxing stay.

A helpful concierge service and whatever staff you have need of will ensure you want for nothing, from gourmet food served out on the private terrace, to cars to whisk you down to the marina, to masseurs to ease away every ache and pain.

Your only job here is to make the most of every precious moment.

## Eating

Your private chef and waiter is on hand to serve delicious breakfasts and evening meals on your luxury villa holiday in Sardinia, meaning all you have to do is relax.

If you wish to eat out, your concierge will be happy to make recommendations and bookings for you in Porto Cervo.

Spinnaker restaurant offers great seafood and stylish ambience in equal measure, or try the rustic and rural I Fratti Rossi, just south of Porto Cervo, for perfectly presented local ingredients. At Madai, on the harbour promenade, you can enjoy either sea views or the sheltered garden with your excellent raw and fresh fish. Il Pescatore, on the harbour, offers great views and even a glass fence you can watch fish through while awaiting your meal. Or for something a little different try the Asian Fusion restaurant, Finger's Club, on Porto Vecchio.

Villa Aniya can also be taken on a self-catered basis. The well-equipped kitchen is a pleasure to prepare food in and gourmands will enjoy shopping in Sardinia's fabulous food markets and trying out local ingredients back at the villa.

All food and drink is charged for separately.
