

Villa Aura Tuscany, Italy

What we love...

We love the large Jacuzzi, which has amazing views of the sea.

Villa Aura is a luxury villa in Tuscany that combines the lure of the Italian sun with the charm of a modern English country cottage. A woodland theme runs throughout the villa, with silhouetted trees and leaves on the walls, bringing a relaxed, calming feel to the neutral interiors. Artworks throughout give this property a unique and homely atmosphere.

The three cosy bedrooms, across the main building and annexe, are all decked out to bring comfort and joy with air-conditioning, cotton sheets and spa-style en-suite bathrooms.

Relaxing, neutrally decorated living rooms with picture windows, wood floors and a modern fireplace for any evenings with a bit of a chill, are ideal spaces for sharing with friends and family.

Outside, a lush garden, sunny terraces and generously sized Jacuzzi all offer wonderful views of the sea. And it's this fabulous outlook that really makes Villa Aura something special. The view is peaceful and tranquil, yet the fashionable shops, bars and restaurants of Porto Ercole are just moments away. You couldn't ask for a more magical and desirable location.
