

Villa Caelum Anguilla, Caribbean

What we love...

We love the view – not many luxury villa holidays enjoy quite such a spectacular outlook on their own stretch of secluded beach.

A location as special as the naturally beautiful island of Anguilla demands a bolthole that is its equal, and we think we've found it in Caelum Villa.

Perched right on the beachfront at Barnes Bay, the turquoise sea is ever-present at this luxury Caribbean Villa. From almost every room, the ocean peeks in and the sound of gentle waves pervades every terrace and corridor. The utmost care and attention has gone into making this stunning luxury villa a welcoming home. Every super-comfy bed, every freshly prepared meal, every top-of-the-range amenity has been carefully selected to ensure your experience here is the best of the best.

In line with this, the villa is generously staffed. From the moment your flight touches down, there will be someone there to take the strain, from dealing with your luggage, to unpacking and to ensuring your cocktail is mixed just how you like it. It's all taken care of for you.

A team of chefs will make sure every tummy is full and no glass is ever approaching empty, whether your vision is an intimate beach

breakfast or super-relaxed alfresco barbecue.

Your luxury villa holiday can be as laid-back or as action-packed as you like here. Get involved in paddle-boarding, tennis, golf, beach volleyball, kayaking, take the hobi cat out for an ocean tour or burn off some lobster barbecues in the gym. Or, if you prefer, make the most of this fabulous luxury villa's location and its facilities by floating in the pool, bubbling with a drink in the Jacuzzi, sprawling in the cinema, enjoying a massage in a location of your choice or simply lounging at the edge of the waves with a good book under a parasol. Whatever is on your agenda, you'll find it at Villa Caelum.

From the chic dining room, to the modern and colourful games room, to the airy New England style drawing room, this luxury villa lends itself to good taste and a relaxing atmosphere.
