

Villa Canna

St. Barths, Caribbean

What we love...

We love outdoor living space, comprising dining and living areas and the lovely pool terrace that accommodates up to 30 people.

There cannot be a more relaxing combination of sounds than that of wind rustling through palm trees and waves gently breaking in the background. At this luxury villa in St Barths, it's the soundtrack to your holiday – the icing on the cake of a property that has been created with only your ultimate comfort and relaxation in mind.

Villa Canna is a lavishly designed property with modern artworks displayed in every room, designer furniture pieces and extras that make life here just a little bit special, from the wine cellar with tasting table to the hammam.

A team of talented staff are on hand to ensure that everything is to your liking. The butler is always at your side as soon as a drink needs topping up or fresh towels are required by the pool, yet seem to be invisible when you just want a quiet moment to yourselves.

Should you tire of the peace here, and we can't think why you would, as guests of Villa Canna you'll also have access also to the exclusive Eden Rock Hotel's private beach facilities, as well as the fitness suite and the two fabulous restaurants belonging to the hotel.

But it's the unique views from the villa itself that really make this villa a tropical paradise. Whether you're gathered with friends at the long table in the outdoor dining area, reading a book alone on your bedroom's private terrace, lounging on the huge arc of sofas that look out on the infinity pool, or sitting in the shade of a tall palm... the views of sea, sky and sand are even more deeply relaxing than an hour in the hammam with a glass of fine wine from the cellar (though that comes a pretty close second).

Both are presided over by the renowned master chef Jean-Georges Vongerichten and will be a treat for any gourmand.

The Hotel can also assist with the booking of a chef if you prefer to eat in the privacy of your villa. Food will be charged for separately at the end of your stay. The chef can arrange anything from customised picnics out on the boat to catering for a special event such as a birthday.
