

## Villa Carrola Ibiza, Spain

### What we love...

We love the swimming pool terrace, with its comfy lounge zone and barbecue space as well as separate children's area in the pool.

The sea is the star of the show in this luxury villa in Ibiza. Villa Carrola has simply stunning views out to the impossibly blue sea from all over the property and has been designed around them, inviting the sea in.

A double-level swimming pool, terrace and barbecue allow you to live outdoors for much of the day here. Comfy, stylish seating across several lounging areas gives you plenty of options for every time of day whether you're looking for a cool spot in the shade to read a book or want to enjoy the last of the sun over a cocktail.

Inside, a coastal chic look brings relaxed charm to the property.

White walls are the perfect backdrop for rustic woods, seaside style, natural materials and neutral and nautical colour palettes.

A large living/dining room, second separate dining room and even a cinema room means that there is plenty of room for everyone to spread out and relax. The light and airy en-suite bedrooms are a pleasure to retreat to in the cool, quiet of the evening.

With Ibiza's vibrant nightlife not far away, it's hard to believe how peaceful it is in this charming corner of the island but waking and nodding off to the sound of the waves is an absolute tonic.
