

## Villa Castello Tuscany, Italy

### What we love...

We love the spacious patio, shaded by climbers scrambling over the pergola, and providing a cool, quiet outdoor living and dining area.

Built on the ruins of a medieval castle, this luxury villa in Tuscany has been restored thoughtfully and tastefully.

Typically rustic and Tuscan on the outside and with a touch of English manor house sophistication inside, it's a delightfully welcoming home from home. The property overlooks the 'borgo', which is just a short walk away, putting wonderful restaurants, a sauna, steam room and much more, just a few minutes from your door.

The Rosewood Castiglion del Bosco estate, on which Villa Castello is located, is an exclusive collection of luxury villas, alongside a spa, top-quality restaurants and some of the best golf in the world. The estate's staff are on hand to ensure you need not lift a finger, but if an escape from the world is what you're after, Villa Castello may also be the answer...

Possibly the cosiest of all the villas dotted around the estate, the serene living room has a Tuscan fireplace to hunker down around should the later evening turn a little chilly, and the rustic dining room with tiled floor is the perfect backdrop to meals with family and friends. The picture windows in the bedrooms are a delight to wake up to and fling back the curtains.

On hot days, the al fresco living area offers a shaded spot where you can enjoy the fantastic views and sweet, Tuscan air out of the sun's heat. After lunch and a snooze on one of the outdoor armchairs, wander down to the private, heated pool and enjoy a long dip, looking out at a truly spectacular view.

Food is a big part of your stay at Villa Castello.

An in-villa chef service gives you your own private chef and waiter so you can enjoy fabulous local cooking without leaving your villa. Your chef will be on hand to prepare everything from light lunches to five-course dinners and special occasion cooking. The service is completely flexible.

The estate on which the luxury villa is situated is home to two wonderful eating spots, Ristorante Campo de Drago, which serves traditional Tuscan cuisine alongside the estate's own wines. The interiors are neutral and contemporary, and if you eat outside on the terrace you'll enjoy a wonderful view of the hills and woodland below. Then there is the more casual trattoria, Osteria La Canonica, ideal for a light lunch or a pizza in the evening. Both benefit from ingredients picked from the estate's own kitchen garden and a rustic, local menu.

There is also a delivery service to your villa if you prefer, which includes a kids' menu.

If you want to take a flavour of your holiday home with you, you can even take part in cookery classes at the estate's cookery school and learn how to make everything from Tuscan favourites to fresh pasta.
