

Villa Cira Lake Como, Italy

What we love...

We love the view. You'll find yourself drawn repeatedly to the windows, or just standing there looking out, with no idea how you got there.

Villa Cira can rightfully claim to be one of the most beautiful properties on earth, we think. Perched on the shore of Lake Como, which has inspired rafts of writers, artists, musicians and poets over centuries, this luxury villa has a truly spectacular outlook onto the lake.

The interiors are exquisitely decorated with sumptuous soft furnishings that befit this luxury property. The building was commissioned by Caroline of Brunswick in the early 19th century to house the former owners of the estate and it has been beautifully looked after and restored. One-off antiques and artworks give the villa a character all of its own. Each room has its own unique personality and the bedrooms are all spacious and airy, and all boast a lake view.

The villa is located in the grounds of a beautiful estate which houses a five-star hotel. As guests of the villa you'll enjoy access to everything the hotel has to offer, from concierge services, to membership of the amazing fitness suite. You can even order room service to the villa, giving you all the privacy you could ask for as well as the convenience of a stay in a luxury hotel.

Wander among the 25 acres of cypress trees, azaleas, hydrangeas and oleanders, past topiary and statues, down to the lake or across to the hotel bar and make sure you stop, close your eyes and fix the moment in your memory as you go. This is a spot you'll want to be able to recall down to the last detail, decades from now.

Standing in the grounds of a five-star hotel, there are plenty of excellent options for eating while staying at Villa Cira. The formal Veranda restaurant offers Italian haute cuisine and spectacular views over lake and garden.

For a more casual meal with a view, try the Grill restaurant. In summer, you'll want to experience eating at Il Patano, where relaxed food is served under the ancient plane trees.

There are also a number of bars where you can enjoy a light snack while you have a drink and enjoy the view or listen to the live band.

A continental breakfast can be brought to you in your villa, or you may wish to enjoy a buffet breakfast at the hotel. Room service is also available throughout the day.
