

Villa El Cortijo Marbella, Spain

What we love...

We love the private heated pool surrounded by lush lawns and sun loungers.

Enjoy laid-back Andalusian atmosphere and all the privacy of your own stylish villa, within moments of all the top-class facilities you'd expect from a five-star hotel.

Villa El Cortijo is an ideal bolthole for a family or group of friends, catering to the needs of everyone in your party and with all you could ask for right on your doorstep.

This luxury villa in Marbella is set in the heart of the highly exclusive Marbella Club resort. Beamed ceilings, thatching and handcrafted tiles bring Mediterranean style and a sense of the area's past to this beautiful property, while original artworks adorn the walls. Villa El Cortijo certainly has a style all of its own, inspired by traditional Andalusian farmhouses, and it's one that is dedicated to your comfort and enjoyment.

The fabulous living room with large comfy sofas makes lounging itself an art form and bring a little luxe to the rustic country style of the property. The airy entertainment spaces make this a really sociable home to share with friends and family, whether you're enjoying a leisurely meal around the beautiful dining table, whipped up by your private chef, or are lounging poolside with sundowners in the evening.

There is so much to keep every member of your party busy here, from the 18-hole golf course, to tennis, luxury spa and wonderful kids' club, but once you've closed the front door, you could be in your own pampering paradise. From the day bed terrace to the fabulously appointed en-suite bedrooms, your comfort and relaxation is always top priority at Villa El Cortijo.
