

## Villa Eleanor St. Barths, Caribbean

### What we love...

We love the secluded pool terrace with ocean views.

Typically Caribbean in both style and ethos, Villa Eleanor is a beautiful property with an atmosphere that absolutely insists on your total relaxation.

The villa is decked out entirely in bright whites and rich, dark woods for a tropical spa feel throughout, from the billowing white curtains on the four-poster beds to the light and airy top-of-the-range kitchen. It offers the perfect combination of luxury furnishings and fittings and hi-tech gadgetry such as iPod dock and Bose sound system.

Outside, a long terrace means every sun lounger has an uninterrupted view of the beach, while the private swimming pool, though secluded behind a lush green hedge, has sea views from its terrace, too.

To encourage you to make the most of the luxe outdoor lifestyle, the property has a stunning outdoor living room, covered over and with

long drapes to offer extra shade wherever you need it. Indeed, all around the gardens are delightful little nooks, benches and swing seats so that everyone can find their ideal spot to take a book and a long, cool drink, or to just sit and simply 'be'.

There's also space for outdoor dining and a gas barbecue so that you can enjoy relaxed alfresco meals or just ask your chef to serve lunch or dinner out in the gardens.

Staff are on hand at the villa to ensure you never have to refresh your own drink or fetch your own towels, so you can throw yourself fully into complete relaxation. And guests of Villa Eleanor also enjoy access to all that the local, luxury Eden Rock Hotel has to offer, from gourmet restaurants to fitness room and private beach.

As private tropical paradises go, we think this one's hard to beat.

Alternatively, if you're looking for a more fine-dining experience, you may prefer to visit On The Rocks, which specialises in seafood with a tropical twist and stunning views out over St Jean Bay. Both are presided over by the renowned master chef Jean-Georges Vongerichten and will be a treat for any gourmand.

The Hotel can also assist with the booking of a chef if you prefer to eat in the privacy of your villa. Food will be charged for separately at the end of your stay. The chef can arrange anything from customised picnics out on the boat to catering for a special event such as a birthday.
