

## Villa Garrovo Lake Como, Italy

### What we love...

We love the stunning lake views – a more beautiful backdrop than any painting could provide.

What could be more perfect than a beautiful building, situated on Italy's most iconic lake? Perhaps a five-star service, total privacy and luxury extras to pamper and indulge you...

Built in 1833 and totally refurbished in 2015, this historic property has been refreshingly redesigned to be true to the building's history but with a contemporary touch to make your holiday truly relaxing. As part of the famous Villa d'Este hotel, guests of the villa will have access to all that this wonderful hotel has to offer, too.

As you walk from room to room the views of the natural landscape outdoors appear like an honoured guest. Life in Como is so centred on the lake and this is a villa that

really celebrates that fact, with its wonderful outdoor spaces. Whether you're out soaking up the sun on the terrace or wandering through the leafy gardens, the lake is always there to delight and fascinate you.

Indoors, a very elegant living room provides a stunning space in which to relax and entertain, with comfortable sofas grouped perfectly for conversation and fireside gazing. Adjacent is an elegant dining room with frescoed walls and huge windows looking out onto lush greenery and lake views beyond.

The six supremely comfortable bedrooms, each with marble en-suite, offer a restful retreat from the world.
