

Villa Maddelena Lake Como, Italy

What we love...

We love the amazing gardens. Perfect for an early morning stroll or a moonlit walk to the hotel bar. The statues and topiary give the gardens a truly dreamlike quality.

Villa Maddelena has the traditional good looks and luxury interiors of a stately home, but with a relaxed ambience that welcomes you in.

Built in 1860 on a small hill among 25 acres of stunning gardens, Villa Maddelena enjoys an idyllic location looking out over Lake Como, which has inspired writers, poets, artists and musicians for centuries. It's located in the grounds of a beautiful estate which houses a five-star hotel. And, as guests of the villa, you'll enjoy access to everything the hotel has to offer, from the fitness suite, restaurants and floating pool on the lake. You can even order room service, giving you all the privacy you could ask for, as well as the convenience of a stay in a luxury hotel.

Spread over three floors, there is ample room for you and your party. The communal rooms are tastefully decorated and luxuriously

appointed, with fabulous soft furnishings making the most of the high ceilings and tall windows. The spacious dining and living areas are wonderful spots to spend an evening in comfort should the weather not sustain dining and socialising al fresco on the spacious terraces. The bedrooms are individually decorated and some have balconies with lake views.

Outside, you'll love to wander among the statues and topiary, between azaleas and rhododendrons, in the 25 acres of gardens that lead down to the lake and across to the hotel. We guarantee the walk to the bar is even more pleasurable than the bar itself here – no mean feat!
