

Villa Naomi Mykonos, Greece

What we love...

We love the infinity-edged pool, which seems to meld seamlessly with the blue sky.

Surrounded by olive trees, cacti and lush vegetation on one side and nothing but sea as far as the eye can see on the other, Villa Naomi occupies a truly special location.

The outdoor dining area of this luxury villa in Mykonos looks out over neighbouring islands and two stunning beaches – and if you want to get up close and personal with that lovely beach view, you'll be pleased to hear the villa has access to its own private bay.

Bamboo shelters and stone-carved ottomans strewn with comfy pillows create beautiful outdoor living areas, just made for lounging in with a good book and a tall cocktail, with one eye on the pool.

Inside, relaxing shades of off-white and neutrals create a chic, coastal look. There's a well-equipped playroom with plasma TV and plenty more indoor spaces for you to retreat to and find a little peace and quiet. All the bedrooms – as well as the main living areas – open out onto the outdoor spaces, making the whole interior cool and airy.

Attentive concierge staff are on hand to make sure every table booking, excursion and whatever else you need is taken care of for you. All you have to do is sit back and admire the view. And what a view!

Eating

A comprehensive concierge team are at your service at this luxury villa. It would be their pleasure to arrange an in-villa chef for the week to attend to your every need, to special occasions and parties fully catered. Whatever you want, your wish is their command.

There are lots of wonderful eateries to enjoy nearby on the island, too. In nearby Super Paradise Beach, the Jackie O Beach venue has a lovely restaurant and bar as well as beach club and the champagne and oyster bar is an experience not to be missed. For an excellent beachfront view and sushi, try Bonatsa, not far from Paraga Beach.

In Mykonos Town, just a short drive away, there are a plethora of excellent eating spots. The Nobu venue, Matsuhisa, at the Belvedere Hotel is a must-do for gourmands for its Japanese fusion dishes that have become a byword for the food revolution across the globe.

For a more laid-back, local experience try Sea Satin Market, directly beneath the windmills, where you can choose your own seafood or steak and watch it being grilled to perfection in front of you.

Villa Naomi
