

Villa Narissa Mykonos, Greece

What we love...

We love the outdoor living and dining areas, which are partly covered, meaning you can enjoy the fabulous view in all weathers.

As villa locations go they don't come much better than this. The nearest beach is just a two minute walk away and with access to your own private bay as well as two swimming pools, you'll be spoilt for choice when it comes to finding the perfect spot to lay your towel here.

Villa Narissa is a luxury villa in Mykonos, and the last word in calming, coastal chic. The interiors are designed in relaxing shades of off-white and neutrals with occasional splashes of colour in the Ikat print soft furnishings in the bedrooms. There's a well-equipped playroom with plasma TV and plenty more indoor spaces for you to retreat to and find a little peace and quiet. All the bedrooms – as well as the main living areas – open out onto the outdoor spaces, allowing the cool breeze to blow straight in off the sea.

The outside space has really been maximised here. Surrounded by cacti and lush greenery, the gardens feel very secluded. Under bamboo shelters are built an alfresco dining room and living area. Stone-carved ottomans with fluffy pillows and as much comfort and luxury outside as you would expect inside means you can easily spend all day outside at Villa Narissa.

The concierge service ensures that whatever your heart desires, is only ever a request away. Whether you're sunning yourself on the impossibly spacious terrace or down on the sand enjoying your private bay, Narissa is one of those special places that stays with you long after you've left.

Villa Narissa

Rooms

Villa Narissa sleeps 16 people across 8 bedrooms.

The bedrooms are mix of doubles and twin rooms, each with an en-suite shower room and access to the outdoor area.

Please note that whilst rented separately, Villa Narissa is connected to its sister property, Villa Naomi via a small door in the outdoor area and the veranda on the top floor.

Eating

A comprehensive concierge service means the team of staff here can arrange virtually anything, from an in-villa chef for the week to attend to your every need, to special occasions and parties fully catered. Whatever you want, your wish is their command.

There are lots of wonderful eateries to enjoy on the island, too, however. In nearby Super Paradise Beach, the Jackie O Beach venue has a lovely restaurant and bar as well as beach club and the champagne and oyster bar is an experience not to be missed. For an excellent beachfront view and sushi, try Bonatsa, not far from Paraga Beach.

In Mykonos Town, just a short drive away, there is a plethora of excellent eating spots. The Nobu venue, Matsuhisa at the Belvedere Hotel is a must-do for gourmands for its Japanese fusion dishes that have become a byword for the food revolution across the globe.

For a more laid-back, local experience, try Sea Satin Market, directly beneath the windmills, where you can choose your own seafood or steak and watch it being grilled to perfection in front of you.

Villa Narissa

Kids

Children will enjoy making the most of the wonderful swimming pool and relaxation pool and access to the private bay here. Should you have a rainy day, they'll find plenty to keep them busy in the villa's own playroom, too.

Nannies and babysitters can be arranged on request.

Location

Villa Narissa is located in the south of Mykonos on an estate, with sea views, looking out over Paradise and Paraga beaches and the islands of Paros and Naxos. Paraga beach is a 2 minute walk away and Paradise a 10 minute walk.

Mykonos town is 5km away and the island's international airport is a 10 minute drive away.
