

## Villa Nemesia St.Barths, Caribbean

### What we love...

We love the views straight out to sea from the terraces.

If discovering a state of nirvana seems like just a little too much hard work, here's an inviting shortcut. Villa Nemesia is a luxury villa on St Barth's with swimming pool, fabulous sea views and a stylish design that together deliver an instant 'aaaahhhh' factor.

The villa itself is super-contemporary and minimalist in its design, airy and light throughout with Barcelona style loungers and square leather armchairs in fresh shades of red and white.

Each of the bedrooms has access to a terrace, luxury en-suite and enough gadgetry to keep you entertained in the evenings, from iPod docks to flatscreen TVs and DVD players. Slip into thick, crisp cotton sheets first for maximum relaxation.

Echoing the panoramic sea view outside, water is a strong design feature of the property with its cascades and 22-metre lap pool.

But perhaps the best thing about Villa Nemesia is the way that indoors and out have been seamlessly blended. The floor-to-ceiling doors open right back, bringing the living and dining rooms out onto the terrace, where there's more space to dine and lounge on chic furniture pieces. You hardly realise you've left the house until your feet are at the edge of the pool, meaning you can enjoy a true outdoor lifestyle here. And with a view like that, you'd be mad not to make the most of it.

Alternatively, if you're looking for a more fine-dining experience, you may prefer to visit On The Rocks, which specialises in seafood with a tropical twist and stunning views out over St Jean Bay. Both are presided over by the master chef Jean-Georges Vongerichten and will be a treat for any gourmand.

The hotel can also assist with booking of a chef if you prefer to eat in the privacy of your villa. Food will be charged for separately at the end of your stay. The chef can arrange anything from customised picnics out on the boat to catering for a special event such as a birthday.
