

Villa Onyx St Tropez, France

What we love...

We love the enormous swimming pool and pool house with summer kitchen.

Supremely comfortable and making the most of its wonderful location, this luxury villa in St Tropez is the perfect base from which to enjoy one of the world's most glamorous locations. The glitz of St Tropez is just a few minutes' drive away, but life here at Villa Onyx is exactly as relaxed and louche as it should be.

The spacious, air-conditioned villa has a lovely open-plan living space where you can slouch on sofas with the papers and enjoy the sea breeze floating in and the wonderful panoramic ocean views, too. From here, a pretty staircase leads down to the quiet of the floor below, home to the bedrooms and library.

Each of the four guest rooms on this floor has a door leading out onto the pool and garden, so you can throw open your doors as soon as you wake each morning.

Outside, there is almost as much living space as there is inside. Several sitting and dining areas mean there is always somewhere to make the most of the sun and the view, whether you're sitting quietly with a book and a long cocktail or chatting with friends over a wonderful meal, long into the evening.

The enormous swimming pool has a pool house nearby, with summer kitchen and changing areas, meaning you can happily spend all day relaxing here. Every care has been taken to ensure that you can make the most of the outdoor lifestyle here. The calm and cool breeze is the perfect antidote to a morning spent in bustling St Tropez.

Eating

A private chef can be arranged for the duration of your stay to keep you and the rest of your party well fed and watered at all times.

The villa has several outdoor eating areas and a large professional kitchen where your chef will be able to prepare your party's choice of menu for you to enjoy al fresco.

St Tropez itself is just a few minutes' drive away and there you'll find a plethora of fabulous places to dine. Amongst our favourites must be Residence de La Pinede where chef Arnaud Donckele has been three-times Michelin-starred for his wonderful Provencal-inspired food and dishes that are as much a work of art as a meal. Auberge des Maures is also a good find – the oldest restaurant in St Tropez and said to count among its fans David Niven and Charlie Chaplin. For a laid-back lunch, accompanied by some serious relaxation, the Tahiti Club in nearby Pampelonne Beach offers a pizzeria as well as a more fine-dining style restaurant and two bars.

If you wish, the villa staff can arrange for a shop to be delivered and stocked in the fridge awaiting your arrival.

Villa Onyx

Kids

The villa has a large, heated pool which children of all ages will enjoy playing in and there's plenty of space both inside and outside the villa for them to run round and let off steam.

Older children and teens will be comfortably accommodated in the pool house bedroom, where they'll enjoy having their own 'den' to retreat to.

Highchairs, cots and a host of other baby equipment can be hired at an additional cost. Nannies and babysitters can be booked on request.
