

Villa Oralee Sardinia, Italy

What we love...

We love the garden layout, with two pools, so the grown-ups can relax in the Jacuzzi, while keeping an eye on the kids splashing in the other pool nearby.

Overlooking the marina, this airy, contemporary villa is built straight into the granite rock above Porto Rotondo. Villa Oralee is a luxury villa in Sardinia with a cool, coastal interior that perfectly complements its beautiful location.

Rustic stone and a palette of whites inside the villa allow the wonderful views from the window to sing out. Whether you're in the relaxing living room or dining area, or waking in any of the stunning bedrooms, there is always a lovely outlook, of the sea, the marina and boats chugging back and forth in the sunshine.

Shaded terraces and lots of space outside to eat, socialise and relax mean you can experience a true

outdoor lifestyle here. Soak in the Jacuzzi, while the children play in the second pool alongside, knowing they can splash to their hearts' content and never risk spilling your glass of bubbly! Soak up the sun with a good book on the lush lawns, or just wander under the creepers on the terraces taking in the views. In the evenings as the sun cools, make the most of the barbecue area and pizza oven and sit out over a long meal until the stars are out.

A comprehensive concierge service and as many staff as you wish to make use of for everything from cooking and entertaining to fitness training, massage and more means you need never lift a finger at Villa Oralee.
