

## Villa Rica Ibiza, Spain

### What we love...

We love the decadent touches at Villa Rica, such as the 'underwater' party room with windows looking into the swimming pool. It's your very own after-hours private club. Feel the vibes of the Ibiza spirit, in luxurious style.

Voted one of the top 10 beach holidays in the world - Conde Nast Traveller.

Darling, you look fabulous! In fact, everyone looks their best against the dazzling backdrop of Villa Rica, one of Ibiza's most luxurious villas. Decorated in contemporary style, it is white throughout with marble floors. You couldn't ask for a better location either, right on the fashionable, sandy beach of Cala Jondal with its famous restaurants and beach bars.

Super cool and radiant in the Ibiza sunshine, Villa Rica is like a brilliant white ice sculpture, defying the Mediterranean heat. Hedonists will love the laid-back indoor bar, opening out onto the crescent shaped terrace, beside the infinity pool. The submerged pool windows, looking in to the private nightclub, allow you to be part of the action if you can't pull yourself away from the pool.

Whether you are planning a chilled get-together with friends, or a fun-filled family holiday, you will be utterly pampered at Villa Rica.

Sadly, you will eventually have to leave this blissful place, and there are bound to be tears of anguish at the end of your stay. Days of soaking up the sun and hanging out in Ibiza's trendiest beach bars. Afternoons of luxurious beauty treatments in Villa Rica's spa area. Evenings lounging in the alfresco Jacuzzi, watching the boats out in the bay. Going back home is always a disappointment. But never mind, the butler can hand you a tissue whilst carrying your bags to the taxi, and you can always return next year.
