

## Villa Serein St. Tropez, France

### What we love...

We love the privacy. Secluded among luscious greenery, Villa Serein is a haven of tranquility and modernity.

Privacy, exclusivity and some more privacy are the order of the day at the luxurious Villa Serein. Recently renovated and hidden among bamboo, pine trees and vineyards, a stay at Villa Serein is all you need to escape from the rest of the world.

Among the cool calm of Villa Serein is the expansive and minimalist living room, taking up the majority of the length of the villa. Complete with an eight-seater sofa and four large armchairs, plus fireplace, large plasma TV, it has lots of doors opening on to a covered terrace with dining, seating areas and BBQ.

Villa Serein is the ideal spot to create your own luxurious party atmosphere, with space for 14 guests in seven double bedrooms.

Each bedroom is en-suite and opens on to a private balcony overlooking the garden and pool. Plus, each pair of rooms has interlocking doors – which will suit families to a T.

Lawns spread down to the swimming pool, a substantial 11m x 11m. Its surrounding sundeck is the perfect spot for sipping an aperitif or two. Lose yourself reclining by the pool, or by soaking up all the modern art that liberally decorates Villa Serein.

Then when you do want to get involved with the world again, Villa Serein is a mere 10 minutes walk from Epi Plage, home to the world-famous Nikki Beach St Tropez and Les Jumeaux restaurant.
