

## Villa Soleil St Tropez, France

### What we love...

We love the large, heated swimming pool, overlooked by the delightful outdoor dining area.

A location as glamorous as the Cote d'Azur demands a villa that can live up to its surroundings. Villa Soleil is a luxury villa in St Tropez that is as effortlessly chic as they come.

The property is laid out around the lovely swimming pool, around which comfortable loungers are gathered that simply demand a good book, a long drink and a large pair of shades. Overlooking the pool is an alfresco lounge area, covered over to provide some welcome shade in the heat of the day, and the perfect spot to spend an evening enjoying a few bottles of wine with friends as the sun goes down. There's also an outdoor dining area that soaks up the sun, which makes a lovely spot for a quiet breakfast, and there are little nooks all around the beautifully designed gardens that provide intimate seating areas so everyone can find a little peace and quiet when they want it. The beach is just

a few minutes' walk from the front door.

The interior of the villa is as modern as the exterior is traditional, with sculptures and art pieces bringing character and a contemporary feel. An modern, light and bright living area is painted in soft pastel hues.

Each of the bedrooms is decked out in shades of white and calming colours, with rustic driftwood touches and beach vibe, bamboo features creating a peaceful backdrop. Some even have majestic free standing baths to soak in after a day in the sun.

Villa Soleil is a wonderful space to share with friends and family. Just the right combination of casual and cool to suit its chic but laid-back surroundings.

## Eating

A private chef can be arranged for the duration of your stay to keep you and the rest of your party well fed and watered at all times.

The villa has a spacious dining room as well as an American-style kitchen, and a wonderful outdoor eating area where you'll be able to enjoy long, leisurely meals.

St Tropez itself is just a few minutes' drive away and there you'll find a plethora of fabulous places to dine. Amongst our favourites must be Residence de La Pinede where chef Arnaud Donckele has been three-times Michelin-starred for his wonderful Provencal-inspired food and dishes that are as much a work of art as a meal. Auberge des Maures is also a good find – the oldest restaurant in St Tropez and said to count among its fans David Niven and Charlie Chaplin. For a laid-back lunch, accompanied by some serious relaxation, the Pearl Beach Club in Quartier de la Bouillabaisse is an excellent choice.

If you wish, the villa staff can arrange for a shop to be delivered and stocked in the fridge awaiting your arrival.
