

Villa Summer Anguilla, Caribbean

What we love...

We love the beach pavilion and the private access to the white sands of Long Bay.

You won't get much more Caribbean than this luxury beachfront villa in Anguilla – you can practically touch the sea from the door of the property, and the house simply oozes laid-back island charm.

Modern, airy suites open out onto balconies with views of the turquoise sea, and downstairs are fabulous open-plan communal spaces and cosy nooks to relax in alone too. A neutral white palette provides the perfect backdrop for tropical colours and driftwood accessories, continuing the 'paradise island' feel.

But it's what's going on outside that is the real jewel in this luxury Anguillan villa's charm. The striking infinity pool and ocean-view Jacuzzi are literally steps out of the villa, and a private staircase leads to the silky sands of Long Bay Beach below. An abundance of water sport equipment is available for you to borrow to make the most of the brilliant beachfront location including snorkelling, sailing and diving. A BBQ and al fresco dining

pavilion are perfect for a post-water sport feast.

This luxury villa has a dedicated team of staff to ensure everything is tailored to your liking from creating the perfect cocktail to ensuring that every table is booked for you and every last thing you could need sorted, including the hiring of a private chef, should you wish to dine in the comfort of your exclusive luxury villa.

Thinking of a big celebration? Villa Saffir and Villa Sari next door can be taken with Villa Summer to create an exclusive estate, and shared facilities including a rustic beach club house on stilts with birds-eye view of the bay and a large dining pavillion are perfect for large groups.

So your only job while you're here is to relax, find the sunniest spot and ask your butler for a cocktail in time for sundown. Which sounds like an easy task, but with a plethora of balconies and pool terraces all with sea views, it could be a tricky choice at this luxury villa.
