

Villa Verbena St. Barths, Caribbean

What we love...

We love having cocktails with a view at the pool's wet bar.

Perched high above shell beach with stunning sea views, Villa Verbena sparkles like a jewel in the sunshine. This luxury villa in St Barths is entirely decked out in white and designed to allow the light to flood every corner. It's the perfect backdrop to a week of sophisticated entertaining with friends or family.

With a delightful outdoor living and dining area – the perfect spot for breakfast – Villa Verbena is big on stylish outdoor living spaces.

The fabulous swimming pool has an infinity edge, making you feel as though there is nothing between you and the sea, and faces the island's epic sunsets. The pool has its own wet bar, so you've no need to hop out for anything at all. And if there should be anything you need, your butler will be on hand to fetch it for you.

Indoors, an ultra-contemporary

dining room and minimalist living room with expanses of comfy sofas to sprawl on set the scene for relaxed evenings. Floor to ceiling windows retract into the walls, revealing the vast terrace and sea views beyond. An enormous TV rises up out of the floor, transforming the space into a fabulous cinema room.

Each of the luxury bedrooms has a stylish en-suite with rain-head shower so that everyone has their own space to retreat to for some relaxation or pampering with the complimentary beauty pouches provided.

Staff are always on hand at Villa Verbena to ensure absolutely everything is taken care of, and as guests of the villa you will also benefit from exclusive access to facilities at the prestigious Eden Rock Hotel nearby. You couldn't be better looked after.
