

Villa del Mar Marbella, Spain

What we love...

We love the exceptional levels of service provided your 24-hr butler and private chef - you can be sure of not having to lift a finger!

Oozing style and exuding comfort, and on one of the world's loveliest stretches of coastline, Villa del Mar is a real treat. Perhaps the best and most beautiful luxury villa in Marbella, it is unmatched on many levels.

Hidden within the extensive grounds of the exclusive Marbella Club Hotel, it is set within botanical gardens, where you can wander past waterfalls, fountains and lush greenery, all inspired by The Alhambra. Yet, you are literally steps from the sea - the property has fantastic beachfront views and the location is the envy of the whole of Marbella.

The villa's interiors, designed by Jean-Pierre Martell, are as comfortable as they are stylish. Handwoven silk carpets and collectable artworks sit easily alongside oversized contemporary sofas in the stunning living room. It's hard to tear your eyes away from the amazing sea views, but take a look around and you'll be enchanted by the high level of care taken over each and every detail,

particularly in the spacious reception room, where elegant sculptures and a truly amazing chandelier compete for your attention.

The six lavish bedroom suites have been designed to impress and ensure you are as well looked after while you sleep, as you are during the day. Some of the bedrooms have their own living rooms, others a walk-in wardrobe, one a Jacuzzi... It's the little details that make them extra special, but all have stunning ocean views, and in all of them the bathtubs are luxuriously deep, the sheets reassuringly soft.

Alongside the home cinema, spa and private pool, comes an exceptional level of service to match. A chef and other kitchen staff will ensure every meal is a memorable one, and you'll be attended to 24 hours a day by your butler. An unpacking service means that from the moment you arrive you can fully relax. Everything is done for you. The only thing on your must-do list is to sit back and enjoy one of the best views in Europe from one of the most luxurious villas in Spain.
