

## Le Petit Château Courchevel 1850, France

### What we love...

We love the impeccable style of Le Petit Château - a first rate luxury ski chalet with all the trimmings including a butler and private chef. The location cannot be faulted either: right beside the piste in one of the most exclusive ski resorts in the world.

Live like a king at Le Petit Château in Courchevel 1850, the nearest thing to a royal residence in the French Alps. With suave and sophisticated décor, a ski-in/ski-out position beside the slopes and a first class private spa, this luxury ski chalet is worthy of any crowned Prince or Princess.

You know you've arrived when you are greeted by the butler proffering Champagne and canapés. Entering the swish, contemporary interior of this deluxe chalet, you are immediately cocooned in a world of fine living. What's that delicious aroma coming from the kitchen? That will be the private chef creating your gourmet dinner. What's that crackling sound in the living room? That will be the fabulous free-standing log burner, keeping you toasty and warm.

Chalet Le Petit Château vies for the title of finest ski chalet in Courchevel 1850. Not only is it easy on the eye and furnished with every modern comfort, but it also offers a regal level of service. Housekeepers come in every day, a private chef reigns in the kitchen and the butler

attends to your every mortal requirement.

Ski straight to the door of your snow Château, leave your skis in the ski room and take the elevator up to the top floor. Here in the spacious living and dining area, a tempting array of cakes and treats are laid out for afternoon tea. Later you may want to descend to the lower floors for a little rest and relaxation.

Chill out at the bar and watch a movie in the cinema room on the lower ground floor. Go down another level to discover the magnificent swimming pool, Jacuzzi, Hammam and therapy room. Everything you would expect from a world class boutique hotel is here at Chalet Le Petit Château, but this is all just for you.

And the luxury lifestyle doesn't end there. Need to rent boots and skis? The ski shop staff will come to you for a private fitting. Don't fancy the five minute walk into town? Just let the chauffeur take you. Need to arrange a ski guide, restaurant booking or a babysitter? Just say the word.
