

## Apartment Etoile Filante Val d'Isère, France

### What we love...

We love the superb location of this chalet in a new, exclusive development, just a short walk from the centre of Val d'Isère.

Beautiful design and a highly desirable location combine to make Apartment Etoile Filante the perfect spot for making the most of Val d'Isère - one of the most-loved ski resorts in the world. This luxury ski chalet is set in the exclusive La Canadienne development by Jean-Charles Covarel, and the interior designer Nicky Dobree. With the most glorious mountain views the balcony has comfy chairs with luxurious faux fur rugs providing a dream spot for a morning coffee and watching the sun come up. Perfect to start every day - or relax with that pre-dinner glass of Perrier Jouet.

Rustic elegance is the order of the day here - faux fur throws, rough-hewn woods and super comfy sofas all provide a homely and welcoming backdrop for your stay. After a morning on the slopes there's nowhere nicer to return to, lounge in comfortable surroundings with friends around the fire, and recuperate in time for an evening either on the town or kicking back in the chalet.

If you feel like a little quiet time, Etoile Filante also has its own study, whether you want to catch up on emails or simply sit down with a book and enjoy the peace. And of course, the three main bedrooms are all designed with your ultimate comfort and relaxation in mind, with luxury en-suites and gorgeous toiletries to make each room a mini spa.

The dedicated children's bedroom can also be stocked with all they'll need to keep them entertained all week - including toys and games.

The concierge team will be only too pleased to help in any way they can, so whether you want to arrange for the children to go out husky sledding, order a massage for yourself or get ski-equipment and passes delivered to your door, you need only to ask.
