

Chalech M Lech, Austria

What we love...

We love the centrepiece fireplace, a stylish feature that can be enjoyed by guests gathered in the living area as well as in the dining space.

Luxury knows no bounds at Chalech M. Forming part of the brand new and exclusive Chalech Residence in Lech, it offers the ultimate in style, comfort and sophistication.

Flexibility is key here - Chalech M can be taken on self-catered or fully catered basis, it's entirely up to you. Meals can be tailored perfectly to your party, taking into account any dietary requirements, likes and dislikes, ensuring everyone gets what they want, from clean-eating fans to the fussiest of toddlers.

The chalet itself is beautifully equipped with all you could need for a relaxing luxury ski holiday, including a private spa area with a hammam and sauna where you can relax after a long morning on the slopes. Guests of Chalech M also have access to a fabulous shared indoor swimming pool and gym in the building.

The elegant open-plan living space is located on the top floor with a centrepiece feature fireplace. On one side of the fire is a

contemporary seating area, with comfy sofas gathered sociably together. On the other side is an elegant dining space, which, twinkling with candlelight in the evenings, is a really special place to enjoy some fabulous food and fine wines.

Off the dining space is an impressive kitchen, where your chef will whip up delicious menus to tempt you. There is also a comfortable TV snug off the living area, the perfect spot to get together for an afternoon matinee as the snow falls outside (or station the kids in front of a movie while the grown-ups gather at champagne hour!).

At the end of the evening, take after-dinner drinks back to the roaring fire or out onto the balconies to watch the stars twinkling over the mountains. Then it's off to bed. Each bedroom is an ode to comfort, with luxury linens, robes, hairdryers and anything else you could need to make your own little home away from home on your luxury ski holiday here in the mountains.

Eating

You'll be well looked after during your stay, with a private chef on hand to prepare delicious gourmet meals and tailor menus to your group, taking into account any likes and dislikes and the needs of any children.

Each morning, you'll wake to a delicious continental spread and a selection of hot specials each day.

When you return from the slopes, a delicious spread of afternoon tea will be waiting for you. If you have children who like to eat an early dinner, the chef can make them a separate meal, just the way they like it.

You'll just have time to make the most of the chalet's facilities and slip into something more glamorous before gathering for champagne and tempting canapés while your chef prepares your evening meal - three courses, accompanied by a thoughtful selection of fine European wines and followed by a locally inspired cheeseboard and then digestifs or coffees around the fire.

On the chef's day off, your host will be happy to make restaurant bookings for you.

Chalech M can also be taken on a self-catered basis if preferred.
