

Chalet Aurore Courchevel 1850, France

What we love...

We love the extensive spa and wellness facilities including an indoor swimming pool, Jacuzzi, sauna and Hammam.

Snuggled in the fashionable Cospillot area of Courchevel, this mammoth chalet is spread over seven floors and occupying a whopping 1,415m². This majestic mountain home is the ideal base for your annual luxury ski holiday and no stone has been left unturned in making this one of Courchevel's most impressive holiday homes.

Ultimate luxury ski chalets come in many guises but few provide the level of wellness and entertainment of Chalet Aurore. Surrounded by murals of ancient rainforests and Italian marble, the 19metre swimming pool is a work of art. Couple that with a Hammam, sauna, indoor Jacuzzi, a fitness room and numerous luxury loungers and you've a glorious space to while away the hours after a day swooshing around the French Alps.

Massage rooms and masseuses are available to pamper out those aches and pains whilst your butler prepares you a drink from the accompanying bar.

The seven stunning en-suite bedrooms are scattered around the house providing privacy and seclusion for all. Each one

has been designed with nothing but your comfort and luxury in mind. Exquisite carpentry, stylish ornaments and delightful design features make each bedroom unique. Not to mention individual balconies overlooking the arguably one of the world's greatest ski areas and you're in your element. The master suite on the top floor enjoys the pick of the snowy views and with its own Hammam, dressing room and private lounge area, it really is a special place.

The vast open plan lounge and dining level is a joy to behold. With huge windows offering unparalleled views across the snowscape outside, this decadent expanse has been designed solely for entertaining. Luxuriant loungers and sumptuous sofas are huddled around the fireplace creating the perfect place to relay tales of the day's events with your friends and family. There aren't many better places to while away the sunset than on the terrace at Chalet Aurore. Picture the scene; armed with a glass of champagne and a delicate canapé whilst the sound of the roaring fire crackles inside the warmth of one of Courchevel's premier mountain retreats. Perfect.
