

## Chalet Chêne Val d'Isere, France

### What we love...

We love the private cinema room – a really cosy space for you to host your own movie night.

Modern Alpine style with a hint of Highlands chic makes this luxury ski chalet in Val d'Isère a very warm and rustic bolthole.

Chalet Chêne is part of the exclusive La Mourra Hotel just outside Val d'Isère's Old Town, meaning it has a quiet atmosphere but is still well placed to enjoy great access to both slopes and the centre of town.

The sociable living room consists of corner sofas and chaises longues gathered around the open fire. Nearby, the cosy dining area, with colourful upholstered chairs is an ideal place to gather for intimate, locally inspired meals and fine wines. There's no more welcoming spot for catching up after a morning on the slopes.

If a little pampering is top of your agenda during your stay, this luxury ski chalet with spa is ideal. Pad down to the swimming pool, sauna and steam room to ease muscles and restore both body and mind. Or retire to the private cinema room for an afternoon film while the snow falls outside.

If you feel like a special night out, La Mourra's two wonderful restaurants and bar are moments away, serving up French and Japanese specialities as well as fine wines, warming spirits and bags of convivial atmosphere, but it has to be said, the quiet of Chalet Chêne is a wonderful thing to return to each evening and sink into soft beds and crisp sheets.
