

## Chalet Ebéne Val d'Isere, France

### What we love...

We love the spa with indoor swimming pool, steam room and sauna to melt away and aches and pains from the slopes.

Alpine luxe meets modern members-only club in this luxury ski chalet in Val d'Isère.

The dark-panelled living room with double height ceiling has an atmosphere of sophisticated calm that instantly relaxes you. Bring your drinks to the generously sized sofas and loaf in front of the fire as you catch up with the rest of your party each afternoon or sit and read in the quaint study area, watching as the snow continues to fall outside.

Before dinner there's always time to squeeze in a couple of hours in the sumptuous spa on the lower ground floor. Float in the indoor swimming pool or ease aching muscles in the sauna and steam room and forget all about the outside world.

Back upstairs, gather in the sophisticated dining room or at the bar in the kitchen as your chef prepares your meal and watch a master at work while you enjoy pre-dinner drinks. As part of an exclusive hamlet of chalets, the La Mourra's staff are all on hand to ensure you never have to lift a finger here. From booking ski equipment to lunch tables to babysitters, nothing is too much trouble.

As you retire to bed each night, in big, comfy beds, covered in plumped pillows you'll have nothing more to consider than what you might have for breakfast in the morning and which bit of the mountain you'll discover the following day.
