

## Chalet Elixir Courchevel 1850, France

### What we love...

We love the stunning spa area with indoor swimming pool, Jacuzzi, Hammam and relaxation area.

Nestled a mere stone's throw from the centre of town, this luxury ski chalet in Courchevel 1850 is the last word in cosiness. Everything is on your doorstep at Chalet Elixir so you can enjoy every moment of your luxury ski holiday, with not a second wasted getting to or from the slopes or the bars and restaurants of the town later in the day. And when you're ready to collapse back in your exclusive ski chalet, you can be there in moments.

Each of the bedrooms is decked out with luxury linens and in a soft, neutral palette, to offer every guest a little bolthole of their own and a relaxing cocoon to retreat to each night. The spa-style bathrooms are stocked with luxury toiletries to make your morning ablutions a pleasure, too.

Right at the top of Chalet Elixir, with fabulous views, are the cosy and intimate living spaces. Capacious sofas and seats are gathered around the wood fire, which is kept laid ready to be lit as soon as you have

kicked off your skis and made your way up in the lift for hot drinks and pastries at the end of your skiing day. A pretty dining area is in the window seat, giving you a wonderful outlook as your chef prepares your breakfast and dinner each day.

And there's plenty here to keep everyone busy without even setting foot outside this luxury ski chalet. Down on the lower ground floor there's a cinema room where you and your friends or family can gather for a movie night together. There's also a wonderful wellness suite where you can happily while away an afternoon in the swimming pool, Jacuzzi and hammam, or perhaps enjoying a treatment in the private massage room.

Whether you've come here for some serious skiing or simply to hide away from the world in a secret hideout where you can relax and be rejuvenated, Chalet Elixir is a wonderful luxury ski chalet for family and friends to share.
