Chalet Infinity is the perfect way to experience a luxury ski holiday in Chamonix. It is close to the town centre, with all its wonderful restaurants, boutiques and bars, as well as to the ski lifts, and yet it is nestled outside the bustling town of Chamonix, in a beautiful hamlet of Les Frasserands where you get a real sense of peace. So you can be on the slopes within moments and yet, when you step out onto your sunny terrace with your morning coffee, can feel like you're the only soul here.

The rustic-luxe interiors create a deeply cosy feel: warm woods, rough-hewn stone, fur throws and rugs... It all just makes you want to curl up with a glass of something warming. Whether your holiday is planned for partying with your

nearest and dearest or simply retreating for some quiet, watching the snow fall outside, there's no place better to achieve this than in Chalet Infinity's double height living room with its capacious sofas, cosy throws and stunning feature fireplace. Adjacent is a lovely dining space with ultra-comfy seating and a sparkling chandelier above that brings a touch of 'occasion' to any meal, but particularly to your talented private chef's gastronomic gifts. The living spaces are filled with light and space by day and by night, lit with lots candles to bring a little sparkle to your evenings.

On lazy afternoons, you'll want to make the most of this really special luxe ski chalet. Perhaps by watching a film in the beautiful cinema with surround sound and large white loungers with fur throws. It's guaranteed to be the most comfortable cinema you'll ever experience. Perhaps leave the others to a movie and head down to the spa for a dip in the infinity swimming pool, with its jet streams and massage jets, sauna and hammam. If you just prefer to find a quiet corner to curl up with a book you can take your pick from the garden, sunny terrace or cosy sofas in the sumptuous living room.

Eating

On arrival, you will be welcomed with a Champagne reception to start things on the right note. Your dedicated executive chef will be on hand to keep you well fed and watered at every point in your holiday.

Breakfast is prepared for you each morning, with both continental and cooked options. When you return from the slopes, afternoon tea is ready and waiting for you and on six evenings, pre-dinner canapés and a delicious four-course dinner are served accompanied with well selected house wines. Whether you want high-end gastronomy or something simple but delicious in front of the fire, your wish is your chef's command.

Snacks and fruit are available all day if you ever need a little something to keep you going and there's also a complimentary bar - any time is drinks 'o' clock, of course, when you're here.

If you decide to explore Chamonix's restaurant scene you'll find a plethora of wonderful places to eat. We particularly like Comptoir Nordique for its delicious Swedish cuisine, La Caleche for its Chamoniard dishes and the fabulous two-Michelin-starred Alber 1ier.

Chalet Infinity

Kids

There's so much to keep children occupied here when they aren't on the slopes. They can spend afternoons splashing in the private pool, running around in the winter/summer garden, burning off some energy or simply chill out in front of a movie in the cinema room.

There's a table football that older kids will enjoy, and of course every bedroom has its own TV so they can always escape to their own space for a while.

Childcare can be arranged on request.
