

## Chalet Inoko Val d'Isere, France

### What we love...

We love the wonderful spa area with pool, sauna and outdoor hot tub.

Naturally beautiful and perched high up in the mountains surrounded by alpine woodland, this luxury ski chalet is the perfect spot from which to enjoy Val d'Isere.

With six stunning bedrooms, each with a luxury en-suite bathroom, there's plenty of space for every member of your party to relax and find a little room for themselves.

The heart of the chalet, however, must be the stunning double-height, open-plan living and dining room. Beautifully lit, with floor-to-ceiling glass doors out onto the terrace, a sophisticated dining area and a lounge just made for loafing in; it's the perfect space for a group of friends or family to share.

After a day spent on Val d'Isere's slopes, this luxury ski chalet's spa is ideal for resting aching ski legs.

Warm up in the sauna, before taking a few lengths in the indoor swimming pool or head to the hot tub on the terrace with a glass of bubbly and drink in those alpine views. After dinner, there's no better place to relax than on the oversized sofas in front of the huge TV.

You'll be well looked after at Chalet Inoko, with staff always on hand to top up your drink, fluff your pillows and serve canapés to keep you going until dinner. The focus here is on healthy living, with fresh and contemporary menus offering a refreshing change from traditional chalet fare.

At the end of the evening, take your drink out onto the lovely balcony to enjoy as a nightcap. Sit around and gaze into the firepit, or simply sink into the hot tub and watch the sky get slowly dark amongst the trees.

## Eating

Your private chef is always on hand to ensure you are well fed and watered at this luxury ski chalet.

Each day starts with a huge and varied breakfast to set you up for skiing. Once you tire of the snow, your driver will whisk you back to the chalet where you'll find a freshly prepared afternoon tea waiting for you.

The evening starts with Champagne and canapés – on the balcony if the weather is clement, or served around the roaring fire. This will be swiftly followed by a gourmet feast, tailored to your group and served at a time that suits, just in case you want to spend a little longer soaking up Val d'Isere's lively après-ski scene.

To complement your food, there is a fabulous wine list. The chalet's wine supplier deals mainly with very small winemakers to bring you really interesting wines you may not have tried before.

To make life more relaxed for families, the chef prepares dedicated kids' teas so that there's less pressure on everyone and both children and adults can relax and enjoy every meal.
