

Chalet La Loze Meribel Village, France

What we love...

We love the chalet's modern elegance paired with an authentic alpine style, the perfect home away from home.

Contemporary style in a traditional setting, this luxury ski chalet is the epitome of alpine sophistication.

Recently completed and brand new for the 2020 season, Chalet La Loze offers the perfect combination of old and new. Contemporary oak cladding mixed with tactile natural fabrics and old wood provides the authentic alpine feel. The exceptional individual feel of the chalet had been enhanced further by the painstaking sourcing of European alpine antiques, blended with modern contemporary artwork, both abstract and alpine in theme.

Set over four floors, Chalet La Loze sleeps up to 12 adults plus 3 children in seven bedrooms, making it the ideal mountain retreat for larger groups. Everyone has their own space to hide away in if they wish - and a place to retreat to at the end of a busy day. In the afternoons, grown-ups might like to escape to their rooms for a nap or just to unwind and read a book. There is a dedicated cinema room, as well as a TV snug where small kids and big kids alike can hide away for a few hours in the warm while the snow falls outside.

The heart of the chalet must be the stunning semi open-plan living and dining area with a bar and TV snug. Beautifully lit sophisticated dining area and a lounge just made for loafing in; it's the perfect space for a group of friends or family to share. The large double doors lead out to the balcony where you can take in the views across the valley and beyond.

After a day spent on the slopes, this luxury ski chalet's spa facilities are ideal for resting aching ski legs. Unwind in the Hammam, before heading to the outdoor hot tub and drink in those alpine views. If you feel in need of any more pampering, why not book a private masseur in the massage room. By the time you emerge ready for bubbly and canapés, you'll feel good as new.

In the morning, you're just moments from the slopes. A well-equipped ski room and a comprehensive driver service mean you will never waste a moment getting to where you want to be. Minutes after you've finished breakfast, you can be out on the snow making the most of everything on offer in the 3 Valleys.

Your dining experience is tailored to you and the chefs will be delighted to discuss your requirements prior to arrival. They can create a formal gastronomic experience with classic dishes with a twist, or perhaps you would prefer local specialities, or comfort food in front of the TV.

Your meal will be accompanied by carefully selected house wines, and there's also an à la carte wine list you can purchase from. Alternatively choose an aperitif from the open bar with a selection of spirits.

To make life more relaxed for families, the chef prepares early kids' teas so both children and adults can relax and enjoy every meal.
