

Chalet La Varappe Meribel, France

What we love...

We love the living room at Chalet La Varappe - like the lounge of an English country hotel.

The best of ski style meets English country retreat in this luxury ski chalet in Meribel.

Chalet La Varappe is a six-bedroom chalet with a warm, rustic feel throughout that will make you feel right at home.

The individually designed bedrooms, some wood clad, some with four posters, are all wonderfully cosy spaces to retreat to at the end of the skiing day, and each has a spa-quality en-suite to make your morning ablutions an absolute pleasure!

In the main living areas, 'cosy' is their watch word, with plump sofas, stacked with cushions, gathered around a large stone fireplace, and an intimate TV room, just made for curling up with friends for an afternoon film.

After an energetic morning on the slopes, if you don't fancy a movie matinee, you might like to escape to the chalet's steam room and

soothe any aching muscles back to normality.

The dining room seats 10 around the polished dining table and the eating space itself is surrounded by a library of books to add to the intimate feel. The chalet was until recently a family home, and this convivial atmosphere still pervades, making you feel as though you are staying at the luxury home of close friends rather than in a holiday chalet.

Your private chef and the rest of the chalet's staff are on hand to ensure you are well fed and watered at every stage. After you've watched your chef put together a gourmet meal for you all and enjoyed it in the dining area, we recommend you head out to the terraces with a glass of bubbly to either take in the views or relax in the hot tub.

From dawn through to bedtime, this beautifully designed luxury ski chalet provides everything you could wish for and your wish truly is their command.

Eating

Each morning you'll wake to a delicious breakfast to get you ready for your day's skiing. Light options such as a freshly made smoothie or fruit/vegetable juice, cereals, porridge, jambon cru, cheeses, fruit and freshly baked breads and pastries are all available. There's also a hot dish each day; anything from Eggs Royale to English breakfast.

When you return to your chalet, tea, coffee and homemade cakes and biscuits will be laid out waiting for you to warm you through.

In the evenings, champagne and canapés are served, while your chef prepares a gourmet four-course meal, followed by coffee, digestifs and the chalet's signature homemade truffles.

The chalet has a complimentary bar serving champagne, wines, beers, spirits and mixers on tap. Teas, coffees and fresh fruit are available all day, too. Ingredients are local and seasonal wherever possible.

If you or any members of your party have any dietary requirements you need only let the staff know before your stay begins. They'll be only too pleased to design menus around you.
