

## Le Chalet

St Martin de Belleville, France

### What we love...

We love the indulgent private wellness area with heated indoor pool, sauna and steam room...

Minimalistic design is king at this luxury ski chalet. Timber framing, open log fires and mountain views equal classic Alpine charm at Le Chalet. Situated in the tranquil village of St Martin de Belleville, it offers an ideal location for a luxury ski holiday in the renowned Les 3 Vallees – the largest ski area in the world.

The chalet itself feels more like a boutique hotel, with a team of dedicated on-site staff including a chalet host, private chef, daily housekeeping service and chauffeur, ready to whisk you to and from the nearby slopes.

Facilities wise, Le Chalet ticks every box; from the five beautifully decorated bedrooms, each with luxury en-suite bathrooms, to the impressive cinema room, with projector screen and inviting reclining chairs.

After a day on the slopes, the private wellness area at Le Chalet beckons. The heated indoor swimming pool, sauna and steam room are ideal for easing tired muscles. There's also a reading corner at this luxury chalet with mountain views. High back chairs are nestled by a window offering awe inspiring mountain views.

The open plan kitchen leads to the chic dining area, with real log fire. It's the ideal spot to enjoy a pre-dinner aperitif whilst you watch a master at work – your luxury chalet's very own private chef. Fresh mountain air is available in liberal doses, of course – courtesy of the chalet's private outdoor terrace.

It was designed for those magical moments when the kids (little and big) want to get out amongst the white stuff and make a snowman or three. Snowball fights don't get more glamorous than this.

## Eating

Le Chalet offers culinary excellence, courtesy of your very own private chef.

You'll start your luxury ski chalet holiday with welcome champagne and canapés. Every morning, you'll be served a hearty breakfast including bacon, eggs, croissants, cereals, porridge, fresh bread, jams, yoghurts, fresh fruit, fruit juices and freshly-brewed tea and coffee. Afternoon tea, cake and French pancakes will be offered six afternoons a week.

Your chef will prepare a four course dinner on six evenings, including a cheeseboard with local Savoie cheese and accompanied by a carefully selected wine list.

On staff day off, your chalet manager can help make dinner reservations. There is a great choice in St Martin with everything from 3\* Michelin La Bouitte, to restaurants with home-made local produce such as Le Montagnard and Jardin Josephine. Grab a great pizza or cheese fondue at La Voute or for a real French experience, you can try Chantacoucou where all produce on the menu comes from the adjoining farm.
